

THE BEST IS YET TO COME

THE TIGGER STAVOLA FOUNDATION HOSTS
SUCCESSFUL FUNDRAISER

OCT 21 2024

Generous donors and community leaders gathered at the Shadowbrook at Shrewsbury in October to support the Tigger Stavola Foundation (TSF). The Sinatra-themed fundraising gala commemorated the 11-year passing of Richard “Tigger” Stavola Jr., in whose name the foundation has persevered to fight addiction, spread awareness, and save lives. The glamorous and celebratory Infinity Event honored healthcare leader Bill Arnold, EVP of RWJBarnabas Health and president of its Southern Region. The evening featured a performance from Frank Sinatra impression artist, Michael Martocci, and his 20-piece orchestra, plus a remembrance ceremony, and live and silent auctions. Plush “Tigger” stuffed toys quickly populated the room as a reward to many of the attendees who made a commitment to fight addiction with a generous pledge. The funds raised will be allocated to expanding the Tigger Stavola Foundation’s innovative drug education programming currently reaching over 80,000 students across New Jersey.
